## A MESSAGE FROM THE DIRECTOR:

Flipping through the photographs in our Annual Report brings a welcomed trip down memory lane for me.

Life often feels like it moves pretty quickly here at the SSJ Neighborhood Network, as we respond to our neighbors' needs. Taking time for reflection is both a necessity and a source of joy.

On behalf of the Board and staff at the 'Network, I invite you to enjoy every smiling face on the pages to come as evidence of those endless ways YOU help us continue service to our neighborhoods across the heart of Erie.

More than a report, what follows are photographs of gratitude to all who give of their time and treasure to support our mission. It is the generosity of your gifts that enables us to provide opportunity to our dear neighbors.

We are so grateful for your support.
